KENTARO

**Magical
Girl Site**

VOLUME 3

**AUTHOR
KENTARO SATO**

Summary

The girl whom Aya and Tsuyuno found on Shioi's list of Magical Girls turned out to be a national idol, Anazawa Nijimi. Using their wands, the two girls went to a fan meet-and-greet and successfully made contact with the idol. When they asked Nijimi about her wand's powers, she invited them to her home. Once there, they learned that her wand is a pair of panties that allows her to manipulate others--like the fans they found inside her home, tirelessly doing housework.

The two girls learned that Nijimi once had a friend who was also a Magical Girl. One day, a strange girl appeared, killed her, and then stole her wand. Nijimi has sworn to kill the murderer and avenge her friend's death. However, the target of her vendetta happens to be Shioi Rina! Borrowing Nijimi's wand to force Shioi to reveal more information about the Tempest has suddenly become a much more difficult task...

Meanwhile, Sarina woke up in the hospital and received a visit from her sister, only to discover a girl in a deep coma who looks exactly like her sister. After watching Aya and Tsuyuno leave the girl's room, Sarina was visited by Nana, manager of the Magical Girl Site, from whom she received a wand and became a Magical Girl herself. Now she plots to get her revenge on the two girls who slit her throat.

During a trip to the convenience store, Aya's big brother Kaname encountered Naoto on the job as Naoto suddenly learned that his beloved Nijimin had quit being an idol. The news shocked him so badly that he lost consciousness and ended up in the hospital. At school the next day, Aya learned that there's a new transfer student in her class...and her new classmate just happens to be...Anazawa Nijimi?!

Honomoto Makoto

Aya's classmate. A boy who cares for Aya.

Asagiri Kaname

Shioi Rina

An information gatherer. She used a wand to change her appearance and became the "Magical Hunter" who collects wands.

Yatsumura Tsuyuno

An eighth grader and Aya's classmate. She has a wand in the shape of a smartphone that is capable of stopping time.

Naoto Keisuke

An obsessed fan of Anazawa Nijimi. His entire life revolves around her and her fandom.

Anazawa Nijimi

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

On the right, another character with dark hair and a more composed but still intense expression looks back. The background is a bright, starburst-like shape, suggesting a moment of high tension or a significant revelation.

SHROOOOOF

A black and white manga panel showing a close-up of a hand holding a coin. The hand is positioned palm-up, with the coin resting on the palm. The coin has a distinct design on its face. The background is a dark, textured surface with diagonal lines. There are three stylized, jagged sound effects or motion lines around the hand: one above, one to the left, and one to the right. The sound effect 'SHROOOOOF' is written in a large, stylized font on the left side of the panel.
